

## Edel Model # 665 (6.65 meter) 22' sailboat.

Canadian craft built in Toronto in 1981.  
She has a red hull and off white decks.

A refit of the Boat was done in 2001 - included new deck paint, CV 17 bottom paint, new windows, updated running lights, and re-bedding of all hardware. Cushions were redone in 2002.

Halyards lead back to the cockpit through double stoppers. She comes with 130% genoa, standard jib, storm jib, & Spinnaker.

There are 2 Lewmar winches, port & starboard in the cockpit to control the headsail sheets feeding through adjustable genoa tracks.

The lift up pop-top provides standing head room of 5'11" and comes with a red canvas cover with screens and windows.

The galley consists of a stainless sink and water tank with foot pump and an two burner propane stove.

The mahogany salon table lowers so a double berth is available and the table has an alternate location to act as a chart table. Sleeps 2 in forward V. berth, and a single quarter berth starboard aft. Interior woodwork is mahogany and teak.

Motor power is supplied buy a reliable electric start Evinrude Yachtwin 9.9 horse longshaft, outboard.

Unique design, great lines and many large boat features on this craft
